G. S. WOOLLEY,

Fire Warden's Report

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us: (1) the careless disposal of cigarettes; (2) the householders carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 a.m. and 5:00 p.m. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — instruct your children that matches are not playthings.

Permits, 14 — fires none.

REPORT OF THE LORA JOHNSON PIERCE SCHOLARSHIP FUND

The Albany Civic Group in 1962 established the Lora Johnson Pierce Scholarship Fund to aid deserving students from Albany who wish to further their education after high school. It is maintained with funds raised by public suppers, rummage sales, etc., with a few private donations. In 1966 donations were made by the Johnson Oil Co., \$35.42; Mrs. Irma Kinslow, \$5.00; and Mrs. Hassert, \$1.00. Robert Thompson was the recipient of the allotted Scholarship in the amount of \$100.00 for 1966 and is attending Plymouth State College at Plymouth, N. H. This Fund also provides for one Junior to go on the Citizenship Tour to Washington, D. C., each year in the amount of \$65.00. Linda Thompson went on this trip in 1966. At the close of 1966 the treasurer reports a balance of \$484.02 in the Fund. With the continued efforts of the Civic Group and of those who have given so generously in the past we are confident the Scholarship Fund will continue to grow that more deserving students of Albany may benefit.

Respectfully submitted,

Board of Selectmen
Town of Albany, N. H.

Dear Sirs:

I herewith submit the yearly report of the Health Officer for 1966.

Three complaints in two weeks were investigated at the Johnson project on Swift River. Bottles, beer cans and rubbish drifting down the stream and bags left along the shore. After a talk with Mr. Ohlson at the Saco River Ranger Headquarters on this situation I received no more complaints. Mr. Ohlson was very cooperative.

Complaints investigated	7
Property inspection for septic tanks	3
Septic tank permits issued	2
Tanks installed without permit	1
Open sewage drains corrected	2

I find the majority of the townspeople very cooperative in regards to health matters and I wish to thank everyone for their cooperation.

Respectfully submitted,

BURTON BLAISDELL,

Health Officer, Albany, N. H.

Bicentennial Report

to the

Town of Albany

By Augusta B. Perry, Chairman

A Report, to the Town of Albany, on the Bicentennial Observance, Celebrated July 2-3, 1966

Albany's past lived again during its recent Bicentennial Celebration held July 2-3 last year.

When I accepted the chairmanship, I was soon filled with misgivings. I asked myself, — "have I the ability to do a commendable job on such a once-in-a-lifetime event?" You see, I did not realize what active participation would come from the townspeople.

Not once did any person show reluctance towards accepting any task asked of them. Without a doubt that is why Albany's Bicentennial was truly a success even though there was but a handful of people to do the work. This was just another proof how right the old adage is: "If you can't do great things you can do small things great."

At the first meeting it was decided to eliminate the use of ads in our booklet. We felt that the yellow pages of any directory furnished the necessary information for those who needed help.

We planned that the booklet, we referred to as "OUR HERITAGE," would be recorded bits and pieces of Albany's history and stories told in pictures.

That everyone might know of the coming event, we sent out invitations to the taxpayers and friends. A postscript to the invitation suggested that anyone was welcome to be a sponsor. The results were amazing! Over \$800 were received and with each contribution came a note assuring us that the donor would make every effort to be present at the party. Distance made no difference — one lady with her two sons flew in from Bellingham, Washington. Another lady came from the Carolinas. Nearly a thousand names were registered that day.

One of the State Officials suggested that we call it a Birthday Party — so that was our theme. It seemed very appropriate for a one-day celebration. We did not realize that we would receive so many, many requests to extend it another day. We did and the results were gratifying.

When the townspeople were asked to provide historical information, it was almost unbelievable the material that was brought in along with priceless pictures depicting the highlights of life here in Albany, a century ago, as well as in the present. Such civic mindedness was deeply appreciated.

At town meeting, it was voted to redecorate the building inside and out. It was done. A beautiful job, too. The kitchen and entrance hall were not included in this deal, so — Mr. Fred Berry and his wife, Helen, with Mrs. Dorothy Wilson saw to it that these two rooms were a credit to the rest. I would like to mention here, this was their own suggestion because they had not been approached to do the work which they did, so, I mention it here that they might know how much their efforts were appreciated.

Mrs. Aleda Woolley and Mrs. Nora Leavitt were responsible for the fiber glass draperies and shining windows. Mrs. Shirley Swanson, one of our summer residents, saw to it that the old box stove took on a new look for the occasion. Indian corn was the main decoration. Mr. Harry Thomp-

son, of West Ossipee, raised it the year before so we would have it in time for the party.

The corn was a link joining us with 1766 when Gov. Wentworth demanded an ear of corn from each grantee as rent for his portion of land in what was then called Burton.

Since the town hall was first built there has been a much-needed railing for the front steps, to assist the old and not so old, when entering the hall. Mr. Arnold Williams was commissioned to construct a wrought iron one. This he did with the assistance of Mr. Naujokaitis.

With the new railing in place, Mr. Burt Blaisdell thought something was missing so he built two window boxes to flank the railing on the outside. Mr. Blaisdell also built an attractive sign, to stand on the lawn, which announced to all the coming of the Albany Bicentennial. Both of Mr. Blaisdell's donations were a great asset to the appearance of the Town Hall.

Mr. Maurice Lowd, not a resident, but who serves us in Albany, suggested that since it was so near to the Fourth, he would like to drape the front of the hall with bunting and swags as his contribution to the observance. Needless to say, his thoughtfulness was much appreciated.

A banner announcing the coming event, was painted and strung up at the entrance to Wilson Road. This was accomplished by Russell Lanoie and Nancy Wilson.

The Wildwood Gardens, in North Conway, delayed the blooming of the Pink Velvet Petunias, so that they might be at the height of their flowering when Mrs. Dorothy Wilson would be ready to complete her Highway Beautification program. She was ably assisted by Mr. Naujokaitis and his Green Thumb.

The plantings around the town hall was most effective and, Mr. Blaisdell was right — the window boxes added much to the over-all picture.

All the homes, on Route 16, Albany, did their share too, in beautifying the highway. Even the ladies at Camp Atahi furnished flower boxes for the bridge railings and planted the pink velvet petunias. They even gave the bridge a coat of white paint! However, everyone regrets that vandals destroyed the boxes right after the Bicentennial.

Inside the Town Hall, the walls were lined with plaques of pictures. Some dated back over a hundred years. The tables were laden with fascinating displays of memorabilia. One of them held all the old town reports, papers and books that had been rescued from the fiery destruction in 1850. The oldest record was a Selectmen's Report dated 1812. The chairs around this table were never empty because all day long the occupants, with pad and pencil, were jotting the little known facts that they found.

Arrangements of garden flowers were everywhere, even on the old box stove. The Indian corn hanging from the windows and doors lent a most unusual air to the decorations when combined with the colorful gowns and swirling hoop skirts. A friend even painted a picture of Chief Chocorua and Chief Passaconway to be displayed in the hall as an added attraction.

The eldest ladies, in town, were chosen to be the honored guests and they served on the hospitality committee. They were Miss Nellie Lyman, Mrs. Alice Cook and Mrs. Ina Morrill. They were dressed in costumes of the vester-year. Each lady was given a gift corsage by the Bracketts

at Flowerland. We regretted that our oldest gentlemen, Mr. Clifford Pratt, was too ill to attend.

By ten o'clock, the guests were milling around on the lawn anxiously waiting for the doors to open. A great surprise awaited them. The friendly voices were suddenly stilled as the bell, high up in the cobwebby belfry, broke its quarter of a century silence and BING-BONGED its welcome loud and clear. This bell was cast in 1853.)

The first to enter were the Selectmen and their wives. They, and those who followed, were greeted by the hostesses, Mrs. Aleda Woolley and Mrs. Nora Leavitt. The first surprise, was the unveiling of a large picture standing on an old-fashioned easel. This picture contained the baby pictures of most of the hostesses. This surprise was enjoyed by everyone. Repeatedly the question was asked: "Who — how — where did they come from?" (a deep, dark secret shared by the husbands and chairman).

Next — the guests were invited to register. A former resident, Mrs. Jeannett Moore was in charge of the Guest Book. Nearly a thousand names were written in and some of the guests neglected to sign their names.

Mrs. Dorothy Wilson presided over the souvenir table, then the hostesses presented the guests to the Hospitality ladies, who were seated just inside the hall. The other hostesses saw to it that the guests found their way to the tea table and then to the tables of archives explaining the articles use and to whom they belonged.

The tea table was in the center of the hall. It was resplendent in pink and white, gleaming silver services, plates and silver candelabras, bowls of old-fashioned flowers (arranged by the Flower Drum Shop, North Conway, and in the center a breathtaking confection in the form of a three-tiered cake in pink and white. A two hundred candle crowned this beautiful Birthday Cake. A gift from Marie Thompson and her sister, Ernestene Comer. They baked and decorated this cake. Words do not do it justice so please look at the pictures in the hall. The silver services poured good will all day and since it was a very warm day the punch bowl was refilled many, many times.

One of the important highlights of the day was the arrival of a group from our sister town of Tamworth bearing a giant Birthday Card beautifully designed and bearing the good wishes of those in Tamworth. They, too, were to celebrate their Bicentennial in August.

Andy Swanson, a summer resident, and the Allen Funt of Albany, was around all day taking candid shots of the guests and hostesses. Not one subject posed and their unawareness expressed in these pictures brings questions to our minds without knowing the answers. These are displayed in the hall.

One of these pictures, we all treasure, is the one of the beautiful Communion set which was used here when the building was a Chapel. This was another link to the past.

At noon, the hostesses and their friends were invited to the kitchen where a delicious buffet luncheon was served.

Now to the financial part of this report. The total amount of monies received was \$3,084.18. This included the loan of \$1,000. the town gave, revenue from suppers, food sales, afghans, booklets, tiles and wooden money. We are very happy to report that the town was repaid on July 26 and as a show of appreciation a gift of six Munroe Mess Tables were donated to the town, all bills have been paid and there remains in the bank \$88.66. We still have booklets and tiles to sell, which we hope, will enable us to do more for the community.

Anyone desiring a booklet or tile may procure them at the White Ledge Snack bar, Golden Age Shop, in Albany and at Cravedi's Newsstand in Conway.

This seems like the opportune time, to thank again, all those who helped to sell our souvenirs: The Book Store, and Arts and Crafts Shop in North Conway; in Conway, the Epicure Shop, Public Library, Cravedi's News Stand, and Hildebrand's; in Albany, The Birch Hill Cabins, Camp Atahi, Mrs. Dorothy Wilson, Golden Age Shop, Mrs. Ina Morrill, Pine Knoll Camps, White Ledge Snack Bar, H. Leavitt Store, and Piper Trail Snack Bar.

We are especially grateful for the invaluable assistance given by Mr. and Mrs. Keith Henney and Mrs. Robert Sanborn. The items contributed by Mrs. Margaret White, Mrs. Elizabeth Roberts, Mrs. Ina Morrill, Mrs. Ruth Morrill, Camp Atahi, Inc., Mr. Clinton Roper, Mr. Robert Beals, Mr. Clifford Pratt, The Albany Associates and the Cemetery Association, and the U. S. Forestry Dept. through Mr. Ohlson.

To all those who loaned pictures. Those displayed in the hall and those used in the booklet, we are most grateful. The research work, done by Mr. Donald Smith (summer guest) was greatly appreciated, as well as that done by Ernest Richardson. Also the insurance coverage by Conway Insurance Co., through Mr. Maurice Lovejoy.

We should acknowledge our Bicentennial Seal. It was beautifully designed, by Marv Leavitt. The memorabilia collection was loaned by many people. Some of the articles dated back 150 years.

The great assistance and encouragement given us by the State Officials and our own town officers should not be forgotten. Neither should we neglect to mention the support given us by the different periodicals throughout the state as well as our own papers, The North Conway Reporter and the Carroll County Independent. In fact — it was a Birthday none of us should forget, because it was a ONCE-IN-A-LIFETIME Day.

Last, but not least, we are most grateful to the efforts of the hostesses: Helen Berry, Marv Blomquist, Marion Burt, Marv Chesley, Alice Cook, Elizabeth Coleman, Dorothy Driscoll, Edna Drouin, Irma Kinslow, Marv Leavitt, Nora Leavitt, Nellie Lyman, Ina Morrill, Ruth Morrill, Elizabeth Roberts, Shirley Swanson, Dorothy Wilson, Eleanor Wilson, Marion Williams and Rita Wells.

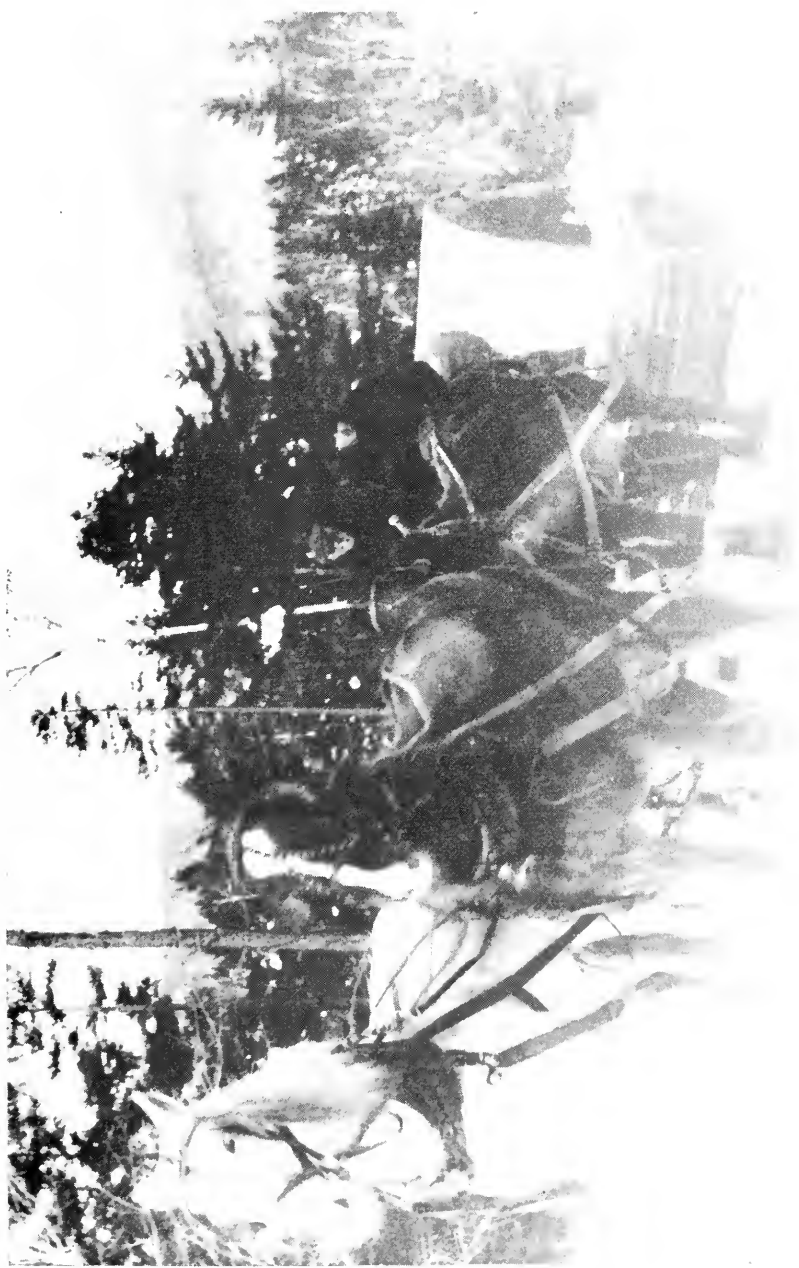

It is planned that a Time Capsule containing books, tiles, wooden money and pictures, will be buried to be opened July 2, 2066.

Respectfully submitted,

AUGUSTA B. PERRY, Chairman

INA B. MORRILL, Co-Chairman
